## FACING TOOL - TSM-6000 OD Mount Electric (1" - 6" TUBE)

Our TSM-6000 Facing Machine was designed for easy use and light weight for its size. It comes with a bench mount stand, but can be lifted off easily for rack storage. This machine is also designed with two spring loaded lower collets, which helps realign round tubing when tightening. The TSM-6000 is primarily for facing tubing and pipe, but it can also bevel and face at the same time.
